

Mary Elizabeth Maternity Home

The Official Newsletter

Spring 2010

HANDSOME BABY BOYS!!!

We have had two baby boys born since December. The first baby arrived on December 19th, he and his mother plan to stay until the baby turns six months old. Mom is doing wonderful transitioning into motherhood and full-time student very well.

Our second baby boy was just born on February 25th; he and his mother will also stay at Mary Elizabeth until he turns six months old. Mom is doing a wonderful job with the baby and is transitioning into motherhood very well.

We have been able to serve these young ladies because of the financial and in-kind donations from our supporters. Every person who reads our newsletter and then sends a donation deserves a huge THANK YOU for providing assistance to our birth moms! Your donations go directly to providing basic needs such as food, shelter, clothing and other necessities to our moms and babies, so thank you for providing the financial means to keep our ministry going.

4th ANNUAL TASTE OF HAYS

The 4th annual Taste of Hays was held on January 17th, and was a huge success. The event was sold out, thanks to the hard work of our Board of Directors and Board of Advisors.

Over 415 people attended the event and we had the most restaurants participate this year. Over 22 restaurants provided their signature dish for the event. We also had more prizes for the raffle this year, then in the years past. This event raised \$25,000 for Mary Elizabeth Maternity Home.

We would like to extend a huge thank you to the restaurants, prize donors, and participants for making the 4th annual Taste of Hays the best one yet.

The date for the 5th annual Taste of Hays has been set for January 16th, 2011. Mark your calendars now, ticket sales will begin at the end of 2010.
